& Referral System  
2016 Regional Conference  
“Refresh, Renew & Resiliency”  
October 6-7, 2016  
The Valley River Inn  
Eugene, OR**

Northwest AIRS is pleased to announce its upcoming education conference, “Refresh, Renew & Resiliency”; presented October 6-7, 2016 at The Valley River Inn located in *groovy* Eugene, OR. This conference will allow us to hit the “pause button” so we can focus on continued learning and networking with an emphasis on self-care. Northwest AIRS is a regional affiliate of the Alliance of Information and Referral Systems, the professional association of information and referral providers throughout the United States and Canada.

The NWAIRS bi-annual conference attracts professionals from Oregon, Idaho, Washington, Montana, Canada and Alaska. Workshops include topics of interest to professionals providing information and referral/assistance within diverse communities and providers. The conference offers an excellent opportunity to refresh existing skills and acquire new knowledge as well as time to network with professional colleagues.
